Summer Camp at Bomazeen Sunday, July 28 through Friday, August 2: Things to Do:

Summer Camp Scoutmasters: Thanks go to Larry Doucette and Dale Burnell for generously offering to be at Summer Camp all week. We could still use some **adult helpers** during the week; call Larry at 846-4356 and tell him which night you can stay.

Physicals If your initials are SF, JL, RP, or RR, you have a blank physical form enclosed with this newsletter. Fill in the front part and have your doctor complete the second part. If your initials are MS, SK, SB, JR, CP, SB, or JC, you need to fill out the front part of the enclosed form. *All forms should be returned right away* to Rich Bucsko, 363 Main Street, Cumberland, 04021.

Merit Badge Signup Each of you should know which Summer Camp merit badges you are signed up for. Remember, as Scouts, it is up to you to be aware and be prepared. Don't wait until the week before camp to call Mr. Doucette and say "I didn't know that ...". (This concept applies to many things in Scouting.) Mr. Doucette's address is 1 Whitney Farms Road, North Yarmouth, ME 04097.

Individual History Report This was mailed to you the week of June 10, just before the Sebago Weekend. Fill it out and return it to Bill Wyatt, 357A Tuttle Road, 04021 right away so that your records are up to date for Summer Camp Planning.

Eagle Scout Projects

Our two current Eagle Scout Projects are allowing younger scouts to earn their Service Hours:

Town Forest Treehouse: The Treehouse is DOWN!. Many of you were there to help with the dismantling of the Swiss Family Robinson sized treehouse on Sunday, June 23. This was for Tom McFadden's Eagle Project. For any of you that hadn't seen it, this thing was *Huge*, with 3 stories and a basement.

North Pownal Fire Station: The weather is not cooperating very well, but Karl Doucette is persistently re-scheduling his Eagle Project hours. Tentatively, Friday June 28 is the next painting day. Call him at 846-4356 for more details.

Sebago Trip - WOW!

Well, it certainly lived up to its name, and was really a Fun Weekend. Extra Special Thanks go to Scott & Kelley Young for all of the planning and coordinating for the entire weekend, including having a boat and hauling the trailer.

Thanks also to our other motorboat providers, Scott Chapman, Peter Lindquist, and Ray Pelletier.

Walt Ensminger and Rich Bucsko outdid themselves again this year with the pig roast. They did a good job cooking it too.

Finally, thanks to all the Scouts and parents who participated and made this the fun, safe weekend that it was. *Can't wait til next year!*

Family Festival Morning Cleanup Schedule

This project is to clean the grounds area for the Family Festival each morning between 6 and 9 am **July 10-15**. If you recall, this is the ex-Deering Oaks Family Festival that recently moved to an astro-turfed area of the Maine Mall parking lot.

We've filled all of the slots, and here is a first pass at the schedule. If you have any problems, let Rich Bucsko know. Otherwise, we're counting on you to be there. Each scout will work 3 sessions and earn \$90. Call the adults listed on your days to arrange travel to and from. **We still need more adult help and return travel**
